

Take two teenagers ... east and west

1 Reading

Read the blog from the Internet about the two teenagers. Is your life more like Fumiko's or Danny's?

Hi! My name is Fumiko. I want to make friends with people all over the world. Here is some information about me. I live in Osaka in the west of Japan. I'm 15 years old and I live with my parents in a very small apartment. I don't have any brothers or sisters.

On school days, I get up really early at 6:00 a.m. and put on my school uniform. I wear a blue skirt, long white socks, a white shirt, and a blue sweater. I take the subway to school and usually meet my friends on the train. School starts at 8:20. The first thing I do is take off my shoes and put on school slippers. We have six classes a day.

We have 50 minutes for lunch, and everyone brings a packed lunch from home. I usually have rice with fried chicken, fish, boiled vegetables, or eggs. We eat lunch in our classroom where we have all our classes.

Classes end at 3:30, and we spend 15 minutes cleaning the school. After that, I go to my sports club where I do judo, and play baseball and tennis. Three days a week I go to evening school where I take extra classes. When I get home I do two hours of homework and then I watch TV. I also like reading. On weekends, I meet my friends and go shopping. Sometimes we go to the park and play baseball. Our summer vacation is in August and we visit my grandparents in Okayama, west of Osaka, and go to the beach.

Tell me about you! What is your life like?

Hi, Fumiko! My name is Danny. I am fourteen years old and I come from Chicago, in the midwest of the US. Wow, your life is really different from mine. I get up at 7:00 in the morning on weekdays. I don't wear a school uniform, I usually wear jeans, sneakers, and a sweatshirt. I take the bus to school and it takes about twenty minutes.

I have eight classes a day. I usually eat lunch with my friends. We have things like burgers and French fries, pizza, and fried chicken. Oh, and ice cream... I love ice cream!

But I prefer the weekends and vacations to school! I like to play basketball, and video games and see my friends. In the summer, I go to camp with my best friend Ryan. Camp is really cool – we do lots of different activities like sports, fishing, horseback riding, walking in the mountains, and we have camp fires at night and sing songs.

What about music? Who's your favorite singer? I really like rap music – Eminem is my favorite singer. Do you have any pets? I have a dog who is really cute. His name is Toby.
