

## Teacher's Notes

## The Olympic Games®

<b>Aims</b>	To learn about the origins and events of the Olympic Games®
<b>Activity</b>	Doing a quiz about the Olympic Games®; scanning web sources for information; matching words with pictures and checking answers online; reading online materials for specific information; researching and preparing a fact file about an Olympic® event.
<b>Language</b>	Present perfect; simple past; prepositions; compound nouns; Linking words: <i>so</i> and <i>because</i> ; vocabulary related to sports, athletes, and countries.
<b>To use</b>	After Unit 5, either in class or as homework.
<b>Procedure</b>	<ul style="list-style-type: none"> <li>• This CLIL worksheet can be given as homework or be done in class. For each activity, students can either check answers in pairs and then with the whole class, or use the Macmillan Online Dictionary to help with vocabulary if they are working at home: <a href="http://www.macmillandictionary.com">www.macmillandictionary.com</a>.</li> <li>• Ask students to do the quiz individually and check their answers using the suggested websites.</li> <li>• Ask students to match the words with the pictures for Olympic® sporting events. They then check their answers online.</li> <li>• Ask students to search the Internet for important events in the history of the modern Olympic Games®, using the suggested websites. They then write the dates of when the events happened.</li> <li>• The project stage can be set as homework. Students can work individually, in pairs, or small groups. Invite students to choose an Olympic® event they are interested in, and research online to prepare a fact file about it, using the suggested websites.</li> <li>• When the students are ready, they can read out their fact files and other students guess which sport is being described.</li> </ul>
