

## Vocabulary EXTRA! Consolidation

## Unit 1

## 1 Choose the correct word.

Last summer, I went to Mexico to stay with a Mexican family. I am always (1) *nervous* / *embarrassed* / *tired* when I meet new people, but I was also (2) *miserable* / *cheerful* / *excited* because it was my first time on vacation without my parents. At first, I was really (3) *angry* / *lonely* / *bored* because I didn't know anyone. The family was very friendly, but their kids were much younger than me. Then, one day I was in town and I met some teenagers in a park. They were all really (4) *cheerful* / *depressed* / *sad* and having fun. I started talking to them, and although I was a little (5) *tired* / *embarrassed* / *bored* because my Spanish isn't great, they were really friendly. I met them every day, and suddenly I wasn't (6) *angry* / *glad* / *miserable* anymore. I'll always have (7) *sad* / *scared* / *happy* memories of my time in Mexico and I'm really (8) *glad* / *depressed* / *worried* that I went. In fact, I'm going back next summer!
