Unit 1

1 Choose the correct word.

Last summer I went to France to stay with a French family. I am always (1) *nervous* / *embarrassed* / *tired* when I meet new people, but I was also (2) *miserable* / *cheerful* / *excited* because it was my first time on holiday without my parents. At first I was really (3) *angry* / *lonely* / *bored* because I didn't know anyone. The French family were very friendly but their kids were much younger than me. Then one day I was in town and I met some teenagers in a park. They were all really (4) *cheerful* / *depressed* / *sad* and having fun. I started talking to them and although I was a bit (5) *tired* / *embarrassed* / *bored* because my French isn't great, they were really nice. I met them every day and suddenly I wasn't (6) *angry* / *pleased* / *miserable* anymore. I'll always have (7) *sad* / *scared* / *happy* memories of my time in France and I'm really (8) *pleased* / *depressed* / *worried* that I went. In fact, I'm going back next summer!
